

SBO-19 AN ORDINANCE ESTABLISHING INDIVIDUAL COST BASED FEES FOR MUNICIPAL LAND USE APPLICATIONS

Section 1: Authorization and Purposes

1.1 To establish a schedule of fees, pursuant to Section 8-1c of the Connecticut General Statutes, which requires new development to fund the actual municipal administrative costs of reviewing, evaluating and processing land use applications, and ensures that fees do not cause new development to subsidize municipal expenses which are not directly attributable to reviewing, evaluating and processing land use applications.

1.2 To establish a reasonable and equitable schedule of fees for reviewing, evaluating and processing land use applications to the Planning and Zoning Commission ("Commission") and the Zoning Board of Appeals ("Board") which calculates fees separately and individually for each land use application.

1.3 To improve the services provided to land use applicants for reviewing, evaluating and processing land use applications.

1.4 To encourage land use applicants to submit complete land use applications which comply with applicable Borough of Stonington ("Borough") regulations and to submit plans, proposals and/or applications with a minimum of errors and omissions.

Section 2: Definitions

2.1 Land Use Application - Any application to the Commission or Board, including but not limited to those requiring fees as listed in Section 3 of this Ordinance.

2.2 Review, Evaluation and Processing - Review, evaluation and processing shall include all functions performed in direct connection with a land use application by the Commission, Board, Zoning Officer, fire department, any consultant retained by the Borough; and any other municipal or other governmental staff/agency.

2.3 Applicant - Any person or entity who submits a land use application, or his or her agent or successor in interest.

Section 3: Fees Charged for Land Use Applications

3.1 The Commission and Board are authorized to collect fees for the processing of land use applications in accordance with the following schedule:

	+\$100.00/lot

3.2 In addition to the fixed fees set forth in Section 3.1, the Commission or Board shall collect payment for direct costs of materials and services performed by those, other than Borough employees, who are directed by the Commission or Board to undertake or participate in the review, evaluation and processing of land use applications. Services may include, but not be limited to, professional consulting services (i.e., legal, engineering, architectural, planning etc.), specialized inspections, third party professional certifications, and stenographic and transcription services. In the alternative, or in addition, the Commission may require an applicant to provide certifications, inspections or professional consultant reports at the applicant's expense.

3.3 In addition to all other fees required by this Ordinance, the applicant shall pay any fees that may be required by state law, including but not limited to the fees that are required by Section 22a-22j of the Connecticut General Statutes.

Section 4: Computation of Fees

4.1 The expense of those services required under Section 3.2 shall be approved by the Commission or Board based upon an estimated cost of review prepared by the Zoning Officer and approved by the Commission or Board. One hundred fifty percent (150%) of the estimated cost of review shall be deposited with the Zoning Officer by the applicant

within fifteen (15) days of the receipt by the applicant of the notification of the required amount. Failure of the applicant to deposit the required amount shall be deemed a failure of the applicant to submit an appropriate fee for the application, and the application shall be deemed incomplete.

4.2 Upon completion of the professional review under Section 3.2 and final action on the application, the Zoning Officer shall determine the actual costs incurred for the review, and the Commission or Board shall refund any excess funds to the applicant. Applicants shall not be responsible for costs incurred or professional assistance which exceeds one hundred fifty percent (150%) of the estimated cost
