CHAPTER 1 INCORPORATION & POWERS

PREAMBLE We, the inhabitants of the Borough of Stonington, in the exercise of privileges, liberties and powers, which we have enjoyed since May of 1801, do hereby declare that this Charter shall constitute our form of government. The Borough of Stonington shall be governed by a Warden and a Board of Burgesses (Board), distinct from the Town of Stonington’s Board of Selectmen. The Board shall work to preserve the Borough’s unique identity and history, promote the individual and general welfare of its inhabitants and foster a sense of community among its residents.

Section 1. **Incorporation**

All the inhabitants of the Borough of Stonington, with territorial limits as constituted by law, shall continue to be a body politic and corporate under the name of the “Borough of Stonington” hereinafter called “Borough”, and as such shall have perpetual succession and may hold and exercise all powers and privileges heretofore exercised by the Borough and not inconsistent with the provisions of the Charter, the additional powers and privileges herein conferred, and all powers and privileges conferred upon Boroughs under the laws of the State of Connecticut.

Section 2. **Rights and Powers**

All property, both real and personal, all rights of action and rights of every description and all securities and liens vested in or inchoate in the Borough as of the effective date of this Charter are continued, and the Borough shall continue to be liable on said effective date, whether accrued or not. Nothing herein shall be construed to affect the right of the Borough to collect any assessment, charge, debt, or lien.

The Borough shall have all the powers that now or hereafter may be granted to Boroughs under the constitution and the Connecticut General Statutes. It shall have all powers granted to municipalities adopting a charter under Chapter 99 of the Connecticut General Statutes. In addition to these powers, the Borough shall have all powers fairly implied in or incident to the powers granted, and all other powers incident to the management of the property, government and affairs of the Borough, including the power to enter into contracts with the State of Connecticut or with any political subdivision thereof.

CHAPTER 2 THE BOARD OF WARDEN & BURGESSES

Section 1. **The Powers of the Board**

The warden and four burgesses shall constitute the Board of Warden and Burgesses, referred to in this Chapter as “the Board”. After seating a new Board, the members shall elect one of the burgesses to serve as the senior burgess. Subject to the provisions,

exceptions and qualifications of this Charter and the Connecticut General Statutes, the Board shall have the power to enact ordinances, adopt resolutions, undertake studies and investigations, provide for the administration of the Borough, determine its rules for procedure, and take all steps necessary and proper for carrying out the powers given the Borough. The Board shall act as purchasing agent for all supplies or services purchased by the Borough, but may delegate such decision for any items or services the cost of which may be reasonably expected to be less than one percent of the authorized budget for the Borough for that year.

Section 2. The Warden

- a) The warden shall exercise general supervision over the administration for all departments, agencies, committees, boards, or offices appointed by the Board. The warden shall be recognized as the official head of the Borough for ceremonial purposes and as the Borough's representative in dealings with state or federal officials.

If the warden or the senior burgess is not present at any such meeting, it may be called to order by any burgess, and the burgesses shall thereupon choose one of their number to preside over the meeting. If no agreement can be reached, the presiding officer shall be chosen by lot.
- e) The warden shall nominate the commissioners, department heads, the senior burgess, committees and all appointive offices unless otherwise provided by a resolution of the Board. All such nominations are subject to the confirmation of the Board, but on such occasions, as on all questions before the Board, the warden may vote. The warden may nominate themselves for any office or commission or committee.
- f) The warden shall inform Borough residents as to the issues before the Board and apprise the Borough residents and the Board about Town and regional programs, policies, and developments.

Section 3. Meetings of the Board

The Board shall meet at least once a month throughout the year at a regular time. Special meetings of the Board may be called by the warden or by any two burgesses. Board meetings shall be open to the public, except when the Board votes to go into executive session. The Board may adopt rules concerning its own procedure.

Section 4. Quorum

The Board shall conduct business only at a meeting duly called at which a quorum is present, three members constituting a quorum.

Section 5. Compensation of Elected Officials

Section 1. Passage by Board

An ordinance may be passed at any regular or special meeting of the Board. Promptly after passage, said ordinance shall be published as required by law. If, at the end of fifteen days following such publication, no petition as outlined in Section 2 of this chapter has been received by the clerk-treasurer, such ordinance shall become effective at that time, or at the date specified in the ordinance, if any.

Section 2. Borough Meeting by Petition

If, within fifteen days after publication of an ordinance passed by the Board, a petition, signed by twenty or more voters as defined in Section 1 of Chapter 7, be presented to the clerk-treasurer, the clerk treasurer shall check the petition for authenticity of the signatures and promptly advise the warden. The warden, upon receipt of the authenticated petition, shall call a special Borough meeting, to be held within thirty days, and such ordinance shall not be effective pending such meeting. If, at such meeting, the ordinance be approved by a majority of the voters present and voting, the ordinance shall become effective at that time, or at the date specified in the ordinance, if any. If the ordinance be not so approved it shall not become effective. Such ordinance may be amended, consistent with its purpose, at such meeting. If so amended, the warden shall call for a vote on amended ordinance at the next regular or special scheduled board meeting in accordance with section 1 of this provision.

Section 3. Petition Initiating Ordinance

If a petition, signed by fifty or more voters containing an ordinance and requesting that it be passed, be presented to the clerk-treasurer, the clerk-treasurer shall check the authenticity of the signatures to the petition and notify the warden. The warden shall present the valid petition to the Board for action within 30 days after its receipt. If the Board passes the ordinance, it shall become effective subject to the provisions of Sections 1 and 2 of this chapter. If the Board does not pass such ordinance it shall nevertheless publish said proposed ordinance and call a special Borough meeting to be held within 30 days after the meeting of the Board for the purpose of acting upon the proposed ordinance in the manner provided in Section 2 of this chapter.

Section 4. Existing Ordinances

All ordinances in effect on the effective date of this Charter shall continue in effect subject to the provisions of Section 5 of this chapter.

Section 5. Expiration of Ordinances

In January of each year, at a regular or special meeting of the Board, the clerk-treasurer shall bring to the attention of the Board each ordinance passed during the year which ended ten years prior to the last December 31. Each such ordinance may be repassed in accordance with the provisions of this Chapter. If any such ordinance is not repassed by the next December 31, it shall then automatically expire and become of no effect.

CHAPTER 7 BOROUGH MEETINGS

Section 1. Eligibility to Vote

At any duly called Borough meeting, those entitled to vote on any matter shall be the following, who shall be called "voters": a) Electors, as defined in Chapter 5 b) Any citizen of the age of eighteen years or more who, jointly or severally, is liable to the Borough for taxes assessed against an assessment of not less than one thousand dollars on the last completed grand list of the Town of Stonington, or who would be so liable if not entitled to an exemption under the Connecticut General Statutes.

Section 2. Annual Borough Meeting

The Annual Borough Meeting shall be held during the third week of April in each year at a time and place to be determined by the Board. At this meeting, or any adjournment thereof, the voters shall consider and act upon the budget for the next fiscal year. Other matters may be brought before said meeting as may be determined by the Board and which have been given proper legal notice as noted in Chapter 8 section 2b.

CHAPTER 8 FISCAL

Section 1. Collection of Taxes

The town shall collect Borough taxes on behalf of the Borough, unless superseded by ordinance.

Section 2. Budget

- a) Not less than two weeks before the date of the Annual Borough Meeting, the Board shall hold a public hearing for the purpose of preparing a budget. At this hearing, the Board shall compare in each case current budgeted figures and recommendations for the next fiscal year.
- b) The budget to be presented at the Annual Borough Meeting shall show: I) projected income, itemized by sources; II) expenditures, segregated by departments; III) the grand list, and IV) a proposed tax rate in mills. At least five days prior to the Annual Borough Meeting the Board shall cause to be published as required by law the proposed budget and meeting agenda; copies of the budget shall be available at the Borough Hall.
- c) The proposed budget may be debated and amended at the Annual Borough Meeting. Any proposed changes shall be voted upon using regular order. Upon the adoption of the budget the Board shall establish and publish a tax rate in mills.

Section 3. Expenditures and Accounting

- a) No purchase shall be made by any department, office or agency of the Borough except under such rules and regulations as may be established by the Board.
- b) Checks shall be signed by the clerk-treasurer and the warden. In the absence or inability to act of either one, checks shall be signed by the warden or the clerk-treasurer and any burgess who is an authorized signatory. In the absence of both, checks shall be signed by two burgesses who are authorized signatories.
- c) The several departments, offices and agencies of the Borough shall not involve the Borough in any obligation to spend money in excess of the amount appropriated therefore in the budget until the matter has been approved by the Board. When any department, office or agency shall desire to secure a transfer of funds in its appropriation from funds set apart for one specific purpose to another, before incurring any expenditure thereof, such department, office or agency shall make application to the Board for approval.
- d) Additional appropriations over and above the total budget may be made by the Board. Such appropriation, if over one percent of the budget for the current fiscal year, shall be made in the form of an ordinance. If the Board declares, by unanimous vote, that such additional appropriation is for the purpose of meeting an emergency, such appropriation may be made by unanimous resolution of the Board, without appeal. Additional appropriations may also be made by ordinance initiated by a petition signed by fifty or more voters as provided by Section 2 of Chapter 6 of this charter. At a special Borough meeting called to consider any additional appropriation made in the form of an ordinance, such appropriation may be amended or reduced but not increased.
- e) Within the last six months of the fiscal year only, the Board may by resolution transfer any unencumbered appropriation, balance or portion thereof, from one department, office or agency to another. No such transfer shall be made from any appropriation for debt services, or other statutory charges.
- f)
